CSA scarf (for prior attendees)	1			Sunglasses	1		
Warm sleeping bag ⁴	1	Required		Disposable camera (no phones for campers or LTs)	1		

¹Very tight, and/or short-shorts are not allowed (not ideal for ropes courses, etc.) Bathing suits should be reasonably modest.

²Sandals, flip-flops*, and open-toed shoes are not suitable footwear at camp and are not allowed. Hiking shoes/boots are recommended footwear at camp, and must be worn with socks at all times. *Flip-flops can be brought only for use in the shower house.

³Nights can be very chilly, especially during our evening campfires. Layers or a thick jacket are recommended.

⁴A warm sleeping bag is required with minimum 30-degree rating. Slumber bags or blankets are not suitable.

⁵A water bottle or canteen is ABSOLUTELY required due to activity and altitude. We recommend one that can hold approximately 32 oz. It must be reusable and leakproof. Hydration backpacks are also acceptable.

⁶Backpack can be filled with the bagged lunch, filled water bottle, paperback book(s), and a disposable camera for Departure Day. No other food can be packed for camp. Medicines are turned in at check-in and returned on Return Day. A backpack can also help with trips to the shower house. Kindle/phones/e-readers are not allowed.

⁷A face mask should be readily available for any unforeseen circumstance. Masks will NOT be required on bus or at camp except for in certain indoor settings and scenarios.

MARK ALL CLOTHING AND EQUIPMENT WITH CAMPER, LT, OR STAFF NAME

Camp is not responsible for lost, broken, or stolen items.

Medicine/Vitamins must be handed to staff per the instructions on Medical Update Form

Campers/LTs will not possess or use drugs, alcohol, tobacco or fireworks while at camp.
Campers/LTs are not allowed to have any firearms or weapons, including knives while at camp.
